## **Pastel BioScience in collaboration with QuantuMDx Group Limited**

Pastel BioScience is pleased to announce that it is now collaborating, on an informal basis, with QuantuMDx Group Limited ([www.quantumdx.com](http://www.quantumdx.com)) to push forwards its development programme and so bring its novel protein biomarker discovery and validation platform, **InVenio™**, to commercial realisation. We look forward to updating you on progress over the coming months.
